Hi Robert-
I will be at CFAC Thursday, if you need my help.

Subject: visit to Columbia Falls

Hi Steve,

Hope all is well!

I just wanted to give you a heads up that I am showing some of our EPA Region 8 staff out of our Denver office a few Superfund sites in Montana. Our plan is to briefly visit the CFAC site this Thursday, 6/14, in the late morning. Sorry for the short notice. Mike Cirian is aware and will likely meet us there. I'd like to show them the facility and, if possible, a quick tour. Most of our time will be in the community.

These are not Superfund or technical staff but rather out of our office of communication and public involvement. We will be looking at the site from a community involvement perspective.

My work cell: 406.594.0588 if you need to contact me. Let me know a good number to contact you and I will let you know, more accurately, when we'll be in Columbia Falls.

Thanks Steve, let me know if you have questions. Again, sorry for the short notice. No problem if you are not available then.

Robert Moler

Community Involvement Coordinator
